Wrestling

Burgettstown quintet a historic combination

Burgettstown's Fab 5: From left, Joseph Baronick, Dylan Slovick, Parker Sentipal, Gaven Suica and Rudy Brown. By the end of this weekend, all could have 100 career wins.

Five seniors at or near 100 career victories

By Ken Wunderley Tri-State Sports & News Service

Gaven Suica and five of his Burgettstown High School wrestling teammates began wrestling in grade school for Burgettstown's youth program.

"We've been wrestling since first or second grade," said Suica, a senior and four-year starter for Burgettstown. "We all decided to try wrestling. It was cool. And the more we won, the more we liked it."

we liked it."
Suica and his five classmates have done a lot of winning since breaking into the Blue Devils starting lineup as promising freshmen in 2020. The six seniors have since combined to win more than 600 bouts for the Blue

Now, five of those seniors are about to make WPIAL history.

Suica and teammates Parker Sentipal, Rudy Brown and Joseph Barnick have all won more than 100 matches in their careers. Dylan Slovick has 97 and is likely to become the fifth member of the century club at Saturday's Sharon Duals.

Only one other team in the history of WPIAL wrestling has had five seniors with 100 or more wins. That was Hampton's class of 2013.

Burgettstown indeed has a Fab 5 this season.

"We knew when they were young that they would be hammers," said Burgettstown coach Joey Vigliotti of his talented senior class. "It's amazing to see what they have accomplished — and what they can accomplish in the final months of the season."

Sentipal ranks first among the seniors in wins with 132.

"As we were coming up through the youth program and junior high, we saw it coming," Sentipal said. "We saw that we could make an impact. Reaching 100 wins was something we were all capable of doing."

The seniors have also helped Burgettstown enjoy team success. The Blue Devils have finished second, third and first in the WPIAL Class 2A team tournament the past three years and made three PIAA team tournament appearances.

"It's an amazing achievement," said Vigliotti. "I wish we could get Eric (Kovach) up to 100, but that will not be possible. He would have made it if it wasn't for the COVID season."

Schedules were cut significantly during the 2020-21 season because of COVID. Kovach, another senior, has 82 wins.

"Each of us missed out on approximately 20 bouts during our freshman year due to COVID," Sentipal said. "My brother (Joey Sentipal) and I and maybe a few others would have shattered the school record if we would have had a full schedule that year."

Burgettstown's career wins leader is 2015 graduate Austin McDermitt, who had

Ken Wunderley/Tri-State Sports & News Service Parker Sentipal, top. has the most wins among Burgettstown's fabled senior class with 132.

44

As we were coming up through the youth program and junior high, we saw it coming. We saw that we could make an impact. Reaching 100 wins was something we were all capable of doing."

Parker Sentipal

a 153-32 record. With 132 career wins, Sentipal needs 22 to break the school record, which will be a tall task so late in the season.

Here is a quick look at Burgettstown's six seniors with their career records in parentheses:

- Parker Sentipal (132-24)
 Ranked No. 1 by the Post-Gazette at 133 pounds with a 21-4 record. He won a WPIAL title in 2022 and is a three-time PIAA qualifier and one-time medalist.
- Gaven Suica (119-36) Ranked No. 2 at 139 pounds with a 21-4 mark. He is a three-time PIAA qualifier and one-time medalist.
- Rudy Brown (107-36) Ranked No. 3 at 152 pounds with a 24-4 record. He has placed fourth in the WPIAL twice and made one appearance at Hershey for the PIAA tournament.
- Joseph Baronick (107-42)

 Ranked No. 2 at 285 with a 20-4 mark. He is a two-time WPIAL finalist, a one-time champ and a two-time PIAA qualifier.
- Dylan Slovick (97-51) Has a 15-11 record while competing at 127. He has been a top-six finisher in the WPIAL three times.
- Eric Kovach (82-51) He is 16-10 while competing at 160. He is a two-time top-six finisher in the WPIAL.

Hampton's five for 100

While Burgettstown's quest to have five 100-match winners continues, former Hampton coach Joe Bursick had no idea his 2012-13 Talbots squad did something no other WPIAL wrestling team had ever done. Five seniors from that Hampton squad eclipsed the 100-win plateau during their career.

"That was a very talented team, but I didn't realize we had five kids with 100 wins," said Bursick, who led the

Talbots to a 260-137 record in 21 years as coach. "It's cool to know that we are the only team to accomplish that feat."

Jake Hart was the most successful of Hampton's century club fivesome. He won WPIAL and PIAA titles that season and finished his career with a 143-21 record.

"Jake's WPIAL and state titles were the most memorable moments from that season," Bursick said. "He's the second PIAA champ in Hampton history."

The other four Talbots who reached the 100-win milestone in 2013 were Kevin Synan (126-37), Zach Kocak (106-34), Collin Siford (104-45) and Noah Shulman (100-31). Synan placed third in the WPIAL, Shulman placed fourth and Siford fifth

They'd have had a sixth 100-win member had Brian Estep not moved to Allderdice for his senior year. Estep had 91 wins while wrestling at Hampton, then added 40 more there to finish with a 131-36 career record.

Century club notes

- There have been five other instances when a school had four century club members in the same graduating class. Those schools are West Allegheny (2001), Hempfield (2009), Burrell (2011) and Belle Vernon twice (2016 and 2017).
- Tom Klingensmith, a 1979 graduate of Penn-Trafford, was the first WPIAL wrestler to record 100 wins when he finished with a 113-8 record.
- The WPIAL century club has increased in size significantly over the years, especially in the past 20. It currently has more than 1,000 members.
- There are 94 WPIAL wrestlers who recorded 150 or more wins, 43 who posted 160 or more and only 16 who finished with 170 or more wins.
 Gerrit Nijenhuis, a 2015

• Gerrit Nijenhuis, a 2015 Canon-McMillan graduate, owns the WPIAL record for career wins (181-16) Shady Side Academy graduates Dane Johnson (180-12) and Geoff Alexander (180-22) are tied for second.

• Canon-McMillan has the most century club members with 42 coming into this season. Connellsville is second with 40. Rounding out the top five are Waynesburg (37), Connellsville (33) and Burrell
