

PLD (Peace, Love & Diversity) Club Application

Our club will be focused on encouraging acceptance and tolerance within the diverse population of our school, helping to create a safe environment for all, and educating the school community on the needs of our diverse population of students. We will focus on the areas of Education, Advocacy, Support, and Policy for all students.

Characteristics of Club Members:

- Acceptance and tolerance of all members
- Recognition that we are all different but equal
- Mutual respect for all
- Peacefully seeking ways to influence positive change and advocating for ourselves and others
- An understanding that all students should feel safe in school
- Supporting any student who may feel underrepresented

What this Club is not about:

- Disruptive demonstrations or demands for change
- Any single population of students defined by one characteristic -- we are here for any/all who feel underrepresented

Why do you think this Club is important for our school and community?

Why do you want to be a member of this Club?

Give an example of a way our Club can influence positive change at our school.

I have read the PLD Club member characteristics for acceptance and tolerance in our school and community. I believe I can make a positive contribution to our Club and its members. I understand the mission of the PLD Club and I will do my best to be a positive role model.
